Erratum

Erratum to “Algebras, Projective Geometry, Mathematical Logic, and Constructing the World: Intersections in the Philosophy of Mathematics of A.N. Whitehead” [Historia Mathematica 29 (2002) 427–462] ☆,☆☆

I. Grattan-Guinness

Middlesex University at Enfield, Middlesex EN3 4SF, UK

The publisher regrets that several corrections requested by the author were not made before the article went to press:

On page 435, in line 9, “Whitehead” should be underlined instead of appearing in italics.

On page 441, in line 10, “G” should read “C”.

On page 445, line 4 from the bottom should read “which took ‘values’ such as ‘ \cup ’ (union of classes, and also of relations), ‘ \cap ’ (the same for intersection). . . .”

On page 455, in line 8 from the bottom, “1909” should be “1908.”

On page 458, in the third reference, “*dr Peano*” should read “*di Peano*.”

On page 458, the title in the reference of Grattan-Guinness 1975b should read “The Royal Society’s financial support of the publication of *Principia mathematica*.”
